To Whom It May Concern:

RE: NEW Online Survey - Keys messages from disabled children and young people.

Please be advised that the second online survey by the Champion and Young Champions is now up and running.

We want to know what's important to disabled children and young people. Hearing their views about services will help us make better changes. We want disabled children and young people to be part of it and tell us about the things that are important to them.

The focus of the online survey this time is about

- Being safe.
- Being healthy.
- Using transport.

We really need **YOU** as a professional, support worker, volunteer, parent or carer to enable **KEY MESSAGES** from the child or young person you care for, work with or support to be sent back to the Champion via the online survey.

To get to the online survey please visit:

<https://www.thegoodchildhood.com/bepartofit/>

You can also print off the survey by visiting the Young Champions web page at www.birmingham.gov.uk/champ and returning it to the Champion at 150 Church Lane, Handsworth, Birmingham B20 2RT.

But we would prefer if you could if possible completion of the online survey online.

Any returns are sent back to the Champion and will be summarised and posted on the Young Champions web page by the end of March 2010.

If you need to discuss anything further, please do not hesitate to contact me.

Yours Sincerely

A handwritten signature in black ink that reads "A. Jones". The signature is written in a cursive style with a large, looped initial "A".

Tony Phillips-Jones – Champion for disabled children and young people
